Not Taken or Rejected Policies

Submitted by Josh on June 16, 2014 - 12:13pm

Please note the following changes apply to **Not Taken** or **Rejected** Policies.

If Desjardins Insurance receive a request from the agent to reopen a **NOT TAKEN** or **REJECTED** policy, they will require a new Life Application, fully completed.

They will no longer accept a signed Statement of Continue Good Health from the client.

Once they receive the Life Application fully completed, they will send the case to Underwriting for review.
