Make an IMPACT in 2021! New member benefit

Make an IMPACT is a new benefit¹ that helps members make a difference in their communities with a one-time grant of \$200.

Foresters Financial² members can apply in a just a few simple steps on our member portal, [MyForesters.com](https://www.myforesters.com). There are many ways the grant can be used including contact-free activities related to COVID-19, creating hygiene kits or preparing care packages for those in need.

Make an IMPACT joins our current suite of grants available to members to make a difference in their communities. Share our customizable flyer to show clients how you can help them give back.
