Underwriting Requirements during COVID-19

Submitted by Victoria on May 26, 2020 - 8:58am

In an effort to continue to provide support during these challenging times, we have added an Underwriting section to our COVID-19 page. In it, and under each carrier, you will find an in-detail explanation on the **Underwriting Requirements** and how they have been modified to adapt to the current situation.

To access the page please click [HERE](#).

If you have any questions regarding this or need additional information on Underwriting Requirements, please feel free to reach out to any member of the Sales & Marketing Team at Global Pacific.

Stay Safe. Stay Healthy.

Warm regards,

Global Pacific
