The Road to Recovery

Submitted by Victoria on June 8, 2020 - 9:28am

It has been a challenging road in the last two months; but we are seeing some recovery (including the equity markets). As we see efforts by our governments to bring us back to some normalcy, we are also reminded to remain vigilant in staying safe and healthy.

In the efforts to keep you updated in these challenged times, attached is our month-end commentary.
